The 5th International Academic & Cultural Exchange 2022

(onsite and online)

5th – 6th September 2022

IACE 2022

Organized by Thepsatri Rajabhat University in collaboration with Universiti Teknologi Mara Kedah Branch, Universitas Sarjanawiyata Tamansiswa, Ho Chi Minh City University of Technology, and Universitas PGRI Adi Buana Surabaya, Saint Louis University, Sebelas Maret University, and National Pingtung University

PREFACE

International partnerships among universities are beneficial to all, ranging from students to staff. The rate of internationalization is increasingly rapid due to various communication channels and inexpensive travel. Evidently, most universities across the world are already seeking to make the most of the possibilities by forming global partnerships and fostering relationships with other institutions. This effort mainly aims to promote students' and staff's potential and to strengthen culture as well as the relationship among university networks.

Forming international university partnerships offers students an opportunity to learn not only academic and cultural aspects but also life skills. Additionally, it enables universities to better understand the culture of other nations, thereby facilitating their marketing success there.

The 5th International Academic & Cultural Exchange 2022 (IACE 2022) is annually organized by Thepsatri Rajabhat University (TRU) in order to provide students and staff from our university networks with valuable opportunities to present and exchange their learning and working outcomes.

Hopefully, the 5th International Academic & Cultural Exchange 2022 will be successful and productive for all participants and bring such strong friendship among the universities.

Acting President
